SECURE-LOCK TENT DOORS

Preassembled bed door and expandable tent package

*Raised bow increases
interior space*

At Lippert Components, we're always looking out for our customers. The Secure-Lock Tent Door system provides several advantages for the customer:

1. The preassembled bed door and tent combination eliminates multiple SKU's simplifying the ordering process.
2. Less SKU's means less inventory to manage. This will save you time and money.
3. A preassembled package equals instant labor savings.

Need more reasons to buy into the Secure-Lock concept? No problem!

- Secure-Lock integrated track provides a tight seal that solidly and securely fastens the tent to the door.
- Multiple exterior trim options: hard/soft screw track, include/exclude drip rail.
- Interior trim ring provides a cleaner look.
- Extruded hinge design eliminates seal voids while the door is open.
- Custom embossing, graphics, & interior decor.
- Optional interior tent cover protects tent while traveling.

*Secure-Lock track provides
added security*
